

# Vespa World Days 2024 Special Edition

## Vespa Official Archive Kit Request

The Kit includes:

- Certificate of Origin Vespa Official Archive;
- A copy of homologated Technical Sheet;
- Celebratory medal in limited and numbered edition of only 200 pieces;
- Cover letter with a hologram that certify the issuant of the document on the occasion of the Event, and the pairing between the kit and the medal.

**The Kit costs €250 (tax and shipping fee included)**

### Procedure

The request form must be completed in all the fields, accompanying by photos of the stamping of both chassis number and engine number, plus a photo of the vehicle in full view. All must be sent to our e-mail address

[vintage\\_piaggiogroup@piaggio.com](mailto:vintage_piaggiogroup@piaggio.com)

The Vespa Official Archive team will carry out a check base on the presence and correspondence of vehicle's details in the company's database and, if possible, will confirm the feasibility of the document. Please keep in mind that it is not always possible to specify the engine number in the Certificate of Origin. In such case, the certificate will be issued stating only the engine prefix/engine type. If there is no information about the vehicle available in our archive, we will respond via e-mail that the certificate cannot be issued.

In case the information is available, and the document can be issued, we will send via e-mail the coordinates to make bank transfer of €250. The transaction must be made no later than 28 March 2024 and, within said date, a copy of the receipt must be sent to our e-mail address [vintage\\_piaggiogroup@piaggio.com](mailto:vintage_piaggiogroup@piaggio.com)

The document will then be made and shipped by express courier to the address indicated below or delivered to our stand to be collect in person, in accordance with the preference indicated by you in the following request form.
