

**PIAGGIO
GROUP**

DEAR VISITOR,

**HEREINAFTER YOU CAN FIND INFORMATION
NEEDED IN TERMS OF OCCUPATIONAL HEALTH
AND SAFETY AT WORKPLACE THAT YOU ARE
REQUIRED TO RESPECT.**

VISITOR'S SAFETY INSTRUCTION

SAFETY INSTRUCTION

Visitors must follow the rules listed below throughout the duration of their visit:

- Visitors must be accompanied by our personnel at all times
- Visitors must always keep within and never leave the yellow marked pedestrian passageways
- Visitors must always follow the safety rules notices displayed in various points of the plant
- Visitors must use the appropriate container to dispose of any waste

PROHIBITIONS

- Carry out operations or manoeuvres that could compromise their own or other person's safety

- Get in and/or get out from the displayed vehicles (Showroom)
- Bring in any polluting or hazardous substances

EMERGENCY PROCEDURES

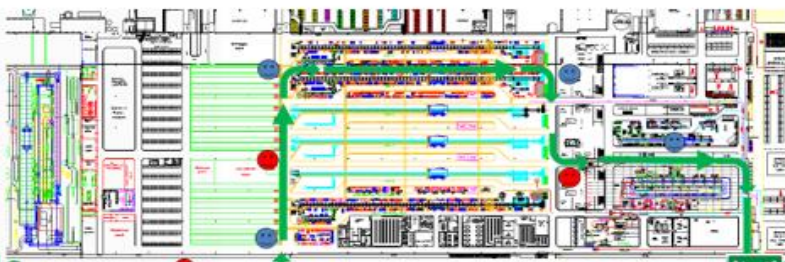

In case of evacuation of the plant, properly advised by sirens, our staff will guide you to move to the escape ways indicated on the sign boards on the plant walls (white arrows on green background) and to reach the nearest muster point.

Piaggio Group is not responsible for any personnel injuries suffered by the Visitors during their permanence in our company.

**The prohibition of smoking is extended to all productive units.
It is strictly prohibited to shoot photos in Piaggio facilities.**
